The BAA KS2: 'All classes'

BAA FP: 'All classes'

BIPS Weekly Newsletter Friday 26th March 2021

Another fantastic week of learning across the school. Remember to follow your child's learning journeys on our school Twitter feed *(https://twitter.com/atbarryisland)*

It has been wonderful to see how quickly the children have settled back into school. The teaching team have been so impressed with their attitude to learning, they are certainly up and running and ready for new challenges!

The outdoor learning spaces have again been used to good effect this week across the school, using the natural environment to provide a stimulus for a rich variety of literacy and numeracy challenges. As we move towards Spring, please remember to ensure your child has appropriate outdoor clothing in school. Also, don't forget that the children can wear their PE kit to school on their timetabled 'PE Day' if they choose.

We would like to thank all of our families for their cooperation and understanding with the ongoing Covid safety restrictions. Please see the Notice Board for a reminder about the actions to take if your child displays any symptoms.

IMPORTANT: Please be aware of an app named 'Omegle'. It is a chat room site (like Skype) - directly introducing children to strangers. Children can be connected to random webcams where no user registration is required. Users are randomly paired with a stranger to chat/video within seconds of logging onto the website. For more information, please follow the link: https://www.thinkuknow.co.uk/globalassets/omegle-parents-guide.pdf

Parent Consultations: Please see the diary dates for details of your child's next parent consultation. Details of appointments and times etc will be sent to you by class teachers after the Easter break.
Diolch.
