BIPS Weekly Newsletter Friday
11th September 2020 22022019

What a busy second week of term we've had across our wonderful school. It was lovely to welcome our afternoon Nursery children this week, and all have settled in really well. We look forward to having all of our morning Nursery children back next week too.

This week the teaching team has been exploring new topics with the children for this half term. Here are a few snippets...

Dosbarth Celyn had a fantastic WOW Day today, becoming hands on Flight Engineers! The children followed a design & technology brief to research, design, plan and build their own kites. They had a brilliant afternoon in the outdoor learning spaces testing their products, evaluating performance, and reflecting on ways to improve.

Dosbarth Derw's new topic is called 'Survival' and the children have enjoyed exploring survival in nature, undertaking a range of research challenges to develop their knowledge.

Dosbarth Bedwen were challenged to 'Save the World' as part of their 'Superheroes' WOW Day! Diolch to parents for providing some amazing costumes. The children had so much fun code breaking, problem solving, tackling riddles and even creating action hero scenes in our lovely school garden!

Dosbarth Hywen & Onnen's new topic is "Carnival" and will immerse the children in lots of creative arts and humanities activities.

Dosbarth Mesen & Ceirios look forward to engaging in some wonderful wellbeing focussed activities in their new topic 'Happiness'.

Dosbarth Helygen's new topic 'All About Me' kicks off with an exciting Peter Pan themed WOW Day on Monday. Watch this space!

We have had fantastic attendance this week, many thanks to all parents for getting their children safely to school.

Notice Board

Important! Thank You!!

Last week we requested that when dropping off and picking up children, could parents & carers wait on the pavement and avoid standing on the road. This was to ensure the safety of all children. Your cooperation is much appreciated and it is important that this continues for the duration of the new safety measures. Diolch!

Communication

Despite all of the new safety restrictions in place regarding visitors to school, the Teaching team are still committed to being available to parents to discuss any issues or concerns you may have about your child. However, we would ask wherever possible that this could take place over the phone to reduce the number of adults we have on site. A phone meeting can be easily arranged by calling the office.

If circumstances dictate that a face-to-face meeting is essential, please call the office so we can plan for a safe, socially distanced meeting space to be made available.

Diolch
